

JOB POSTING

Systems Administrator
Competition No. #2019-04
Salary: \$40.35 per hour *under review*

Position Overview

VAA is now recruiting for a full-time Systems Administrator to join our team. The Systems Administrator is responsible for maintaining and implementing all information technology and telecommunications infrastructure for the VAA.

This is a union position reporting to the Supervisor, Information Technology and will normally work a 37.5 hour work week during regular administration office hours. Some after-hours emergency support and regular scheduled maintenance may be required. Travel outside of Canada may also be required.

Education & Experience

The preferred candidate will bring MSCE/MCSA/Technology Certificate with a minimum of four years relevant experience. Considerable knowledge of related hardware, software, network principals and business technology. Experience with Flight Information Display Systems (FIDS) and Common Use Self Service kiosks (CUSS) considered an asset. Applicants with an equivalent combination of education and experience are encouraged to apply. A valid BC Class 5 Driver's license is required.

Applications:

Interested applicants may submit their Cover Letter and Resume quoting Competition #2019-04 by 4:00 pm, Friday, June 14, 2019 to: humanresources@victoriaairport.com.

For a detailed job description please visit our website www.victoriaairport.com under the careers section. Your application should clearly identify how you meet the education, experience and knowledge requirements stated in the job description.

As a condition of employment, employees must pass and maintain enhanced Airport security clearance (RAIC)*. Applicants must be legally entitled to work in Canada.

We appreciate the interest of all applicants; however, only those selected for an interview will be contacted.

* The Restricted Area Identification Card is a security pass issued by local airport authorities to all non-passengers working in the restricted areas of airports
