

Environmental Stewardship on Lands under the Jurisdiction of the Victoria Airport Authority

Policy Type: Executive Responsibility

Policy Number: #214

Date Approved: 19 October 2000

Date Amended:

Monitoring Responsibility: Audit and Finance

Frequency: Ongoing

The CEO shall establish and maintain on a regular basis an environmental monitoring program that monitors potential or present environmental situations in a manner that ensures the Victoria Airport Authority is in compliance with all environmental laws or where an environmental breach occurs, that action is taken to ensure compliance is attained at the earliest opportunity. The program shall ensure that the members of the Victoria Airport Authority shall not be subject to liability claims, at any time.

The CEO shall report to the Victoria Airport Authority, on environmental matters, no less than every four months within a calendar year.
